

Descendants of Unknown Phillott

Generation No. 1

1. UNKNOWN¹ PHILLOTT

Notes for UNKNOWN PHILLOTT:

Details of the Phillott family came from a Pedigree list of names and some dates and marriages , from an item on the Devon Archives website. I checked what info I could and might have the children of Joseph Phillott and Mary Farr wrong. Others I have checked as best I can on the IGI.

At least 25% of the list I did not include as I could not confirm the details of the names.

for example:

Contents:
